

Quality Statement

The Senior Management Team of Chew Valley Construction Ltd has developed a Quality Policy which governs the day-to-day operations to ensure quality. This Quality Policy and Statement is communicated and implemented throughout the Company.

The Quality Policy of Chew Valley Construction Ltd is as follows:

Chew Valley Construction Ltd Limited recognises that the disciplines of quality, welfare, health, safety and environmental management are an integral part of its management function. The Company views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards.

The Company Quality policy calls for continuous improvement in its quality management activities and business will be conducted according to the following principals:

We will:-

- Comply with all applicable statutory laws and statutory regulations
- Follow a concept of continuous improvement and make best use of its management resources in all Quality matters
- Communicate its Quality objectives and its performance against these objectives throughout the Company and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work
- Work closely with our customers and suppliers to establish the highest Quality standards.
- Adopt a forward-looking view on future business decisions, which may have Quality impacts.
- Train our staff in the needs and responsibilities of Quality Management.

Chew Valley Construction Ltd has determined the scope of the management system as follows:

Chew Valley Construction Ltd., located in Bishopsworth, Bristol, is engaged in the supply of general building and maintenance services to a customer-base located in Southern England and Wales.
